Hi Amy,

Thanks for the matrix! I'll take a look at it today or tomorrow. The best days/times to connect this week would be Tuesday (10-1 Pacific) or Thursday (12-5 Pacific).

Hi Miranda,

Attached is a matrix summarizing some of the Deschutes info/approaches. The last column includes some additional information (models, data, calculations, etc.) that it would be really useful to obtain from Ecology.

Can we find a time this week to connect? I'd like to introduce you to Michelle Schmidt, who will be helping on the project, and to discuss the possibility of additional data/information from Ecology and others. If you can let me know some times that work for you, I can compare schedules with Michelle and set something up.

Thanks, Amy
